

# Javier Alfredo Silvestri

## Personal Information

**Name:** Javier Alfredo Silvestri  
**Email:** [ws.2000.sja@gmail.com](mailto:ws.2000.sja@gmail.com)  
**Marital Status:** Single, no children  
**Location:** Barcelona, Spain  
**Languages:** English, Spanish

## Profile

I am an adaptable software developer, I'm 22 y/o, currently based in Barcelona. Open to opportunities across Europe, I am enthusiastic about relocating as needed to align with the ideal role. Eager to integrate into a dynamic team, I am dedicated to honing my skills and making contributions to projects. I am distinguished by a robust work ethic, a proficiency in problem-solving, attention to detail, and an unwavering passion for technology.

## Skills

**Technologies:** HTML, CSS, JavaScript, TypeScript, ReactJS, NodeJS, Express, Go (in progress), Dart, Flutter, MongoDB, MySQL

**Project Management:** Agile (Scrum, Kanban), UML, Design Patterns

**Version Control:** Github, Git, SVN

**Code Editor:** Visual Studio Code, Neovim, IntelliJ IDEA

## Work Experience

Apr 2022 - Aug 2023

**RunaID IT Services and IT Consulting - Software Developer:** Building mobile applications with Dart Language for Flutter projects. I perform tasks such as finding and fixing bugs, and debugging/testing APIs. Also, I worked on projects that were developed in Grails (GSP, Groovy).

Aug 2021 - Dec 2021

**Dinaware Website - Web Developer Full Stack:** Web e-commerce with the stack MERN (MongoDB, ExpressJS, ReactJS, and NodeJS) and operations CRUD (Create, Read, Update and Delete) for products, products deals, and also purchases of similar and different products through shopping-cart. To finalize the purchase, use the services of Mercado Pago that provide the possibility to pay with different cards. (Final thesis of my degree).

Jan 2019 - Jun 2019

**Dinaware Store - Technical Service:** Work and apprenticeship experience about products and services, under the environment of "Plan Empezar Trabajo Joven" by the national government of stimulation of labor insertion. 4 daily hours, Monday to Friday. Duration: 6 months.

Aug 2018 - Sept 2018

**ELS (English Language Center St. Petersburg):** English language learning experience in the USA, Florida St. Petersburg. Learning native English and knowledge of the university "Eckerd College". (Institute: Aida Ponticelli English)

## Education

Nov 2022 - Present

**Platzi Platform - Online Technology Courses:** I'm learning and practicing about development and better practices. Also, I am taking English Academy courses.

2019 - 2021

**College Degree - University Web Technician:** The National University of San Luis. Faculty of Physical-Mathematical and Natural Sciences. Web operations like developing a web application, software engineering, and web engineering.
